## June Birthdays

In astrology, those born June 1–20 are Gemini's Twins. The Twins represent communication and interaction. Geminis love to collect and share information. Witty and intellectual, they attract many friends. Those born June 21–30 are Crabs of Cancer. Kind and protective, Crabs love to nurture others. Cancers are tenacious in their pursuit of domestic harmony.

## Celebrating CNA Week

### June 11 – June 17, 2026

During National CNA Appreciation Week, Whaler's Cove proudly celebrates the incredible Certified Nursing Assistants who provide compassionate care, comfort, and support to our residents each and every day.

CNAs are often the friendly faces residents see first thing in the morning and the caring individuals who are there throughout the day offering assistance, encouragement, reassurance, and companionship. Their dedication goes far beyond daily tasks; they help create the sense of home that makes Whaler's Cove such a special community.

The National Association of Health Care Assistants (NAHCA) selected the 2026 theme, "We're Unbelievable," to recognize the extraordinary impact CNAs have on the lives of older adults and those they care for every day. Whether helping residents through difficult moments, sharing laughter and conversation, or simply offering a comforting presence, our CNA team continuously demonstrates patience, compassion, and heart.

Throughout the week, Whaler's Cove will be recognizing our CNA team with special appreciation activities and surprises as a small token of gratitude for all they do. We also encourage residents and families to take a moment to say thank you, share a kind word, or recognize a CNA who has made a positive difference in their lives.

To all of our CNAs, thank you for your hard work, your dedication, and the genuine care you bring to our community each day. Your kindness and commitment do not go unnoticed, and we are incredibly grateful for everything you do for our residents and families.

Happy CNA Appreciation Week!

## Employee of the Month

Congratulations to our Employee of the Month, Maintenance Assistant Gary Carpenter!

Although Gary joined the Whaler's Cove team only a few months ago, he has already made an incredibly positive impression throughout our community. From day one, Gary has consistently shown a strong work ethic, a willingness to help wherever needed, and a positive attitude that brightens the days of both residents and staff.

No matter the situation, Gary is always one of the first to step up and lend a helping hand. Whether assisting during the recent blizzard, helping the team navigate a kitchen power outage, or responding to everyday maintenance needs throughout the building, Gary approaches every task with professionalism, patience, and a smile.

Residents and staff alike have come to appreciate Gary's friendly personality and dependable nature. He is always willing to go the extra mile to make sure things are taken care of and that everyone feels supported. His positive energy and team-first attitude truly radiate throughout the community and help make Whaler's Cove feel welcoming and cared for.

Thank you, Gary, for all of your hard work and dedication. We are so grateful to have you as part of the Whaler's Cove family and look forward to all the great things ahead!

## Staying Hydrated This Summer

As we head into the warmer summer months, Whaler's Cove would like to encourage all residents to stay mindful of the importance of hydration, especially when spending time outdoors or participating in activities throughout the community. Drinking enough water can help support overall wellness, energy levels, and comfort during periods of hot and humid weather.

For resident convenience, complimentary water will continue to be available near the Front Desk during the summer season. We encourage residents to take advantage of this courtesy when enjoying time in our common areas or outdoor spaces.

As a reminder, residents are responsible for stocking personal beverages, snacks, and groceries within their own apartments based on their individual preferences and needs.

We hope everyone enjoys a safe, healthy, and relaxing summer here at Whaler's Cove!

## Happy Father's Day!

Father's Day is a time to recognize and celebrate the fathers and father figures who have shared their wisdom, strength, humor, and love throughout the years. We are grateful for the many memories, stories, and traditions that the fathers in our community continue to share with us each day.

We look forward to celebrating together on Wednesday, June 17th. The day will begin with a Skeet Shooting Game at 10:00 AM, where residents can enjoy some friendly competition and laughs together.

Later in the afternoon, residents are invited to our Father's Day Duck Shoot Social at 2:00 PM at the gazebo featuring live entertainment from Tony and Pat with The Whalers, skeet shooting, along with light bites and refreshments.

We hope you join us for a wonderful day of music, laughter, and celebration as we honor the special men in our community!

## Welcome Anjolie Pierre

Many of our residents have already had the opportunity to meet Anjolie Pierre, who joined Whaler's Cove in May as a volunteer assistant in our Activities Department alongside Allyson! Anjolie will be volunteering with us through early July and has already become a familiar and friendly face within the community.

As the daughter of a nurse, Anjolie has long been exposed to senior living communities and wanted to find a volunteer opportunity where she could give back to others and make a positive impact. She shared that she looks forward to continuing to meet new residents, building genuine relationships, and being an asset to the entire Whaler's Cove team.

Anjolie is new to Massachusetts and is currently attending UMass Dartmouth as a law student. Residents can look forward to seeing her during morning games on Tuesdays and Thursdays in the Country Kitchen.

We are so grateful to have Anjolie volunteering with us and appreciate the kindness and energy she brings to our community!

## June Happenings

Summer is off to a great start at Whaler's Cove with plenty of exciting events planned throughout June!

Residents can look forward to our Resident & Staff Cookout on June 10th, a trip to Bally's Casino on June 22nd, and our Chowder Cook-Off on June 30th where residents will vote for their favorite chef creation.

Be sure to check the monthly activity calendar for full details and additional programming throughout the month!
